Comments/ Questions from the Chat

Dawn Hubbard (Ormsgill School Barrow):

Some of us make trauma training on 2nd November. It's the last session by Sean Twomey.

Emma Pomfret (Headteacher, Orton CE Primary School):

With the training being every Tuesday at the same time it clashes every week with our staff meeting. Can the day be varied?

Rachel Tweddle (no role/ school in chat):

Hi, Can I ask that we have more notice for training sessions? I really wanted to attend them all, but can't due to meeting clashes.

David Warbrick (Headteacher, Beckstone Primary School):

I agree with Rachel's comments...the sessions look good but we had planned our staff meetings. With more notice we could have incorporated these sessions into our schedule.
